Club to Meet.
Mrs. George DeBolt will give the last of a series of Current Events talks before the Woman's club on the occasion of its regular bi-weekly meeting on Friday afternoon at three o'clock at the Masonic Temple. A splendid musical program has been arranged for the meeting under the direction of Miss Eleanor Blanche Barnes and features of the program will be a duet by Mrs. Oliver A. Wood and Clarence Bloom. Much interest centers in this meeting owing to the fact that the nominating committee appointed at the last meeting of the club will make its report and the annual election will take place at the next and last club meeting of the year.

Mr. and Mrs. W. T. Hartman have as their guests at their home on Belmont avenue: Mr. and Mrs. Charles Stuart Ely, of Jeannette, Pa. Mrs. Ely is the daughter of Mr. and Mrs. Hartman and her marriage to Mr. Ely was an event of January last.

To Sail for Home.
Mr. and Mrs. Edgar R. Taylor, who had spent the past three years in the Philippines, will sail from Capiz where they are located for Manila and thence to the United States on April 15, according to a letter received here by the mother of Mrs. Taylor, Mrs. Christine Snider, of Madison street. Mr. and Mrs. Taylor were married here three years ago and sailed at once for Manila and had been in the Philippine Islands ever since where the former is a civil engineer in the employ of the U. S. government. When they went to Manila they expected to be gone for two years but on account of the war were unable to sail when the two years period was up. Just when they will reach here will not be known for some time as they are undecided as to which route they will take and may go via Europe. Mrs. Taylor was formerly Miss Beatrice Snider, of this city. They will come directly to Fairmont where they will visit at the home of Mrs. Taylor's mother and will also visit Mr. Taylor's home at Keyser.

Briggs was made chairman, Mrs. Ernest Hutton vice president, and Mrs. Anna Vockrodt secretary of the Literature and Art department of the Woman's club at a meeting held last evening at the home of Mrs. Charles B. Highland, on Fairmont avenue. They succeeded Miss Ethel Lee, chairman, and Mrs. Charles C. Bobb, vice chairman, and Mrs. Vockrodt was re-elected secretary. An unusually interesting meeting of the club was held on this occasion when the works and dramas of English and Belgian artists were discussed. Prof. E. E. Mercer gave a most interesting and comprehensive outline of the dramas of Masterlinck dealing at length with "The Blue Bird," "Pelléas and Mélisande" and "Monna Vanna." Mrs. Otis G. Wilson gave a most delightful review of the late works of English novelists. Mrs. W. S. Mayers who was to have talked concerning other English writers was unable to be present on account of illness. The meeting last night marked the last regular meeting of the club for the year. However the department will supply the speaker for the meeting of the club to be held on March 19 in the person of Hon. William T. Eberle of West Virginia University, who will talk on the subject, "The English Spirit as Revealed in Current English Poetry." At the conclusion of the meeting refreshments were served by the hostess and the retiring officers. On account of illness members of the Farmington club who were to have been the guests of the local club, were unable to be present.

The Quick Way to Stop a Cough

This home-made syrup does the work in a hurry. Easy to prepare, and serves about 32.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant. Good for children like it—and it is pure and good. Pour 2½ ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly breaks the inflamed membranes that lodge in the throat and air passages, stops the annoying throat-tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for its healing effect on the membranes. To avoid disappointment ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

were: Mrs. J. B. Lavelle, Misses Ora Dent, Fanny Olliver, Kathleen Ford, Lucille Hawkins, Clara Snoderly, Hattie Austen, Hazel Shaw, Mrs. Elsie Adams, Mrs. Jaquette and Mrs. Glover.

Aided Convention.
Mrs. Amos Payne has just returned from Roanoke, Va., where she presided at a convention that had been called for the purpose of forming a Virginia Federation of Musical Clubs. Much interest for the advancement of music activities in Virginia was manifested by the music club representatives and musicians from different sections of that state. After Mrs. Payne addressed the convention and set forth the aims of the federation, action was taken whereby the organization was consummated. Mr. Brooks Suffered for Years—Tells How He Got Relief.

"I have tried a great many things for constipation, but the only thing that has been able to relieve me is Milks Emulsion. I am on only my second bottle and have to take very little of it now.
